BASIC LAPAROSCOPIC SKILLS COURSE

Friday 28 October 2016
8.30am - 5.00pm

**Venue: Surgical Simulation Centre,
Chorley and District General Hospital (PR7 1PP)**

Essential training day consisting of lectures combined with practical simulation training. These methods will reinforce learning, particularly around safe entry techniques, energy modalities and ergonomics.

This course meets the Laparoscopic Training requirements of ST1/2 level Obs & Gynae Trainees

* * To gain the most from this day, trainees should complete the Blended learning and simulation training (BeST) for basic laparoscopic surgery on the RCOG website prior to their attendance. **

Cost: £175.00
