Contemporary Topics in Imaging and Management of Endometriosis Joint BSGI/BSGE meeting Mercedes- Benz World, Weybridge, Surrey

Friday, 10 November	2017
08:00-08:45	Re

08:00-08:45	Registration	
08:45-09:00	Welcome	
Session 1	Diagnostic approaches to endometriosis	
09:00-09:20	Origins of endometriosis and disease state	Jeremy Wright tbd
09:20-09:40	Deep endometriosis – Ultrasound diagnosis and staging	Caterina Exacoustos
09:40-10:00	Imaging for endometriosis: a surgeon's prospective	Saikat Banerjee
10:00-10:20	Alternative Imaging techniques, including MRI and CT	Sue Freeman
10:20-10:30	Discussion	
10:30-11:00	Tea/Coffee Break	
Session 2	Debate: This House believes that endometriosis centres eligibility criteria must management of endometriosis	include imaging in the
11:00-11:15	For-	Nazar Amso
11:15-11:30	Against-	Tyrone Carpenter
11:30-11:40	Responses, Q&A and Vote	
11:40-12:30	Live scanning	
12:30-13:30	Lunch	
Session 3	Contemporary management strategies	
13:30-13:50	Surgery for superficial peritoneal endometriosis	Chris Guyer
13:50-14:10	ESGE/ESHRE/WES recommendations on techniques for endometrioma surgery	Ertan Saridogan
13:50-14:10 14:10-14:30	ESGE/ESHRE/WES recommendations on techniques for endometrioma surgery Surgery for deep endometriosis	Ertan Saridogan Alfred Cutner
14:10-14:30	Surgery for deep endometriosis	Alfred Cutner
14:10-14:30 14:30-14.50	Surgery for deep endometriosis Is nerve sparing surgery for endometriosis a reality?	Alfred Cutner
14:10-14:30 14:30-14.50 14:50-15:00	Surgery for deep endometriosis Is nerve sparing surgery for endometriosis a reality? Discussion	Alfred Cutner
14:10-14:30 14:30-14.50 14:50-15:00 15:00-15:30	Surgery for deep endometriosis Is nerve sparing surgery for endometriosis a reality? Discussion Tea/Coffee Break	Alfred Cutner
14:10-14:30 14:30-14:50 14:50-15:00 15:00-15:30 Session 4	Surgery for deep endometriosis Is nerve sparing surgery for endometriosis a reality? Discussion Tea/Coffee Break Non-surgical management of endometriosis	Alfred Cutner Shaheen Khazali
14:10-14:30 14:30-14:50 14:50-15:00 15:00-15:30 <u>Session 4</u> 15:30-15:50	Surgery for deep endometriosis Is nerve sparing surgery for endometriosis a reality? Discussion Tea/Coffee Break Non-surgical management of endometriosis Medical treatment options for endometriosis-do they really work?	Alfred Cutner Shaheen Khazali Simone Ferrero
14:10-14:30 14:30-14:50 14:50-15:00 15:00-15:30 Session 4 15:30-15:50 15:50-16:10	Surgery for deep endometriosis Is nerve sparing surgery for endometriosis a reality? Discussion Tea/Coffee Break Non-surgical management of endometriosis Medical treatment options for endometriosis-do they really work? Endometriosis and infertility/ART Research on non-invasive diagnosis and management of endometriosis	Alfred Cutner Shaheen Khazali Simone Ferrero Dimitrios Mavrelos
14:10-14:30 14:30-14:50 14:50-15:00 15:00-15:30 <u>Session 4</u> 15:30-15:50 15:50-16:10 16:10-16:30	Surgery for deep endometriosis Is nerve sparing surgery for endometriosis a reality? Discussion Tea/Coffee Break Non-surgical management of endometriosis Medical treatment options for endometriosis-do they really work? Endometriosis and infertility/ART Research on non-invasive diagnosis and management of endometriosis-what does the future hold?	Alfred Cutner Shaheen Khazali Simone Ferrero Dimitrios Mavrelos Simone Ferrero tbd
14:10-14:30 14:30-14:50 14:50-15:00 15:00-15:30 Session 4 15:30-15:50 15:50-16:10 16:10-16:30	Surgery for deep endometriosis Is nerve sparing surgery for endometriosis a reality? Discussion Tea/Coffee Break Non-surgical management of endometriosis Medical treatment options for endometriosis-do they really work? Endometriosis and infertility/ART Research on non-invasive diagnosis and management of endometriosis-what does the future hold? Highlights of NICE guidelines on the management of endometriosis	Alfred Cutner Shaheen Khazali Simone Ferrero Dimitrios Mavrelos Simone Ferrero tbd
